

for the use only of a registered medical practitioner or a hospital or a laboratory

for successful management of  
**Genito-Urinary tract infections; Bladder Control (neuro-muscular);**  
**Burning micturition (specific, non-specific)**

Tablet **BANGSHIL<sup>®</sup>** (Alarsin)

Bang (vang : tin) bhasma • Shilajit • Chandraprabha • Chandan (sandalwood oil) • Vanslochan  
• Kasis • Svarnamakshikam • Guggul etc.

raises general body resistance & fortifies inherent antibacterial mechanism of Kidneys &  
Bladder an alternative to overcome limitations and hazards

(Resistance · Réurrences · Relapses) of **Antibiotics and Sulphas**

**latest Trials in India from Departments of :** • Urology • Medicine • Surgery

• Orthopaedic • Obst. and Gyn.ec. • S.T.D., (VD) • Pathology

#### show practical advantages of Bangshil treatment:

- **In Micturition Complaints:** remarkable relief within 2 days even in resistant, recurrent, chronic and VD cases.
- **Bacteriological Cure:** Within 2-3 weeks without limitations and hazards of antibiotics and sulphas.
- **In Vivo :** Bangshil seems to have both Bacteriostatic & Bactericidal effects. A wide range of uropathogens (E. coli, psuedomonas, proteus, kiebsiella, Streptococci, Staphylococci) & mixed infection respond excellently to Bangshil treatment.
- **Raises Body resistance :** Bangshil eradicates bacteria and at the same time raises body resistance, which prevents relapses & recurrences. This is not the case, when treating G.U. tract infections with antibiotics and sulphas.
- **Safe Drug for long term use:** Clinical experience shows that in quite a number of G.U. tract infection cases long term treatment is necessary. Unlike Antibiotics & Sulphas there are no contra indications, no side or toxic effects with Bangshil therapy No need for adjustment or urinary pH. No danger of developing drug resistance or renal blockage.
- **Sense of well-being :** in genital conscious, neurashenic and neurotic patients, Bangshil has remarkable action of pacifying the patient. It positively helps in detoxicating Kidneys, Ureters, Bladder, Urethra and tones up the functions and defence mechanism of G.U. System.

There is an improvement in general health; gives a sense of well-being.
